## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: May 2012 Void After: May 2013

Product: Closet Carriers File No. 0913

Issued To: WADE-TYLER PIPE  
11910 COUNTY ROAD 492  
TYLER, TX 75706

Identification: Manufacturer's name or trademark and model number on casting. The product shall also bear the UPC® certification mark.

Characteristics: A line of closet carriers with legs for siphon jet or blow out wall mount closets. To be installed in accordance with the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)  
International Plumbing Code (IPC®)

Products are in compliance with the following standard(s):

ASME A112.6.1M-1997(R08)
